

Supporting Survivors

I can't say enough nice things about R U Safe. They have helped my family in so many ways. From the beginning, Tiffany made me feel so secure and gave me an overwhelming sense that everything was going to be okay. Her calm and caring demeanor made all the difference. Cissy is an amazing lawyer and person. She continuously walked me through the entire court process and gave me the best advice. She was always there for me and was always available to answer my many questions. They both went above and beyond to advocate for me and my family. I could not have gone through this process without them. They are incredible people and R U Safe is so lucky to have them.
Thank you, Jessica

Months ago, I found myself a victim of domestic violence... the most horrific, emotionally, gut wrenching-frightening situation that I've ever been involved in, in my life.... not knowing which direction to go in....or my legal rights, with the assistance of my spiritual advisor, I reached out to "R-U-Safe." Tiffany Bolt from R-U-Safe came to my rescue...She thoroughly guided me through the process of filing a successful "Domestic Violence Injunction, against my offender....If it was not for the lawyers at R-USafe, today, I would not be enjoying a safe and stress-free life.... Thank you Tiffany Bolt and the staff of "R-U-Safe!"

I was referred to R U Safe by a federal judge during a very trying time in my life for myself and my family. I had no idea what to expect. Tiffany and Cissy really do care about helping families. They walked me through filing an injunction and represented me in court. They are a class act of an organization and can really help you stay safe when your family needs it most.
